* Andhra Pradesh was bifurcated into Telangana and Andhra Pradesh in 2014. As a result, the sample frames of Census 2011 do not have the new state divisions. Of the 22 districts in undivided Andhra Pradesh, 9 rural districts are located in Telangana and the remaining 13 districts are located in Andhra Pradesh. ASER estimates for the two states are based on this separation of districts.

** ASER 2018 was unable to reach some districts of Arunachal Pradesh, Chhattisgarh, Jammu and Kashmir, Kerala and West Bengal due to logistical constraints and security concerns.
